### Notes

- In the "Players" section, list players formally using 1<sup>st</sup> initial and surname so most wins can be calculated correctly.
- Where 2 players share a slot, player 1 plays in the slot in the top half of the order of play and player 2 plays in the slot in the bottom half of the order of play.
- Where a team has only 5 players, the opposing team captain nominates 2 players to occupy slot 6.
- Substitutions can be made but must go in the withdrawn player's slot.
- B, R and T show the team that breaks, referees and keeps time in the frame.
